CHAPTER

Phase 1: Dream (Days 1-30)

01

Auditing Vision & Clarifying Identity

The Dream phase is the foundation of personal architecture. Without a clear, compelling vision, action is merely motion.

Week 1 -- Vision Audit:

- What do I want my life to look like in 3 years? Write in present tense as if already true.
- What would I pursue if I knew failure was impossible?
- What legacy do I want to leave behind?

Week 2 -- Values Clarification:

- List your top 10 values, then narrow to your top 3.
- Are your current daily choices aligned with these values? Identify gaps.

Week 3 -- Vision Design:

- Write your 90-day vision across Career, Health, Relationships, and Purpose.
- Make each statement specific, measurable, and emotionally compelling.

Week 4 -- Dream Solidification:

- Read your vision aloud every morning.
- Share it with one trusted person for accountability.
- Refine until it inspires and challenges you.

CHAPTER

Phase 2: Education

(Days 31-60)

02

Acquiring Knowledge & Skill Mastery

The Education phase gives your vision substance. What you don't know is limiting you more than you realize.

Week 5 -- Knowledge Gap Analysis:

- List 5 skills or knowledge areas required for your 90-day vision.
- Rate your current proficiency in each (1-10).
- Prioritize the top 2 to develop during this sprint.

Week 6 -- Learning Architecture:

- Identify primary learning resources (books, courses, mentors, practice).
- Block 45 minutes daily for intentional learning -- non-negotiable.

Week 7 -- Application Sprint:

- For every concept learned, write one way to apply it immediately.
- Teach one insight per week to someone else to accelerate retention.

Week 8 -- Mindset Integration:

- Identify limiting beliefs that surfaced during learning.
- Challenge and replace each limiting belief with an empowering alternative.

ACTION STEP

Complete your Knowledge Gap Analysis on Day 31. Block 45 minutes for daily learning in your calendar.

CHAPTER

Phase 3: Purpose (Days 61-90)

03

High-Impact Action & Deployment

The Purpose phase converges vision and learning into intentional, high-leverage action.

Week 9 -- Action Architecture:

- Identify the 3 most important actions that move you closest to your vision.
- Schedule them as first priorities in your week.

Week 10 -- Momentum Building:

- Review progress against your Week 1 vision. What has improved?
- Celebrate every win -- momentum is built on acknowledged progress.

Week 11 -- Relationship Investment:

- Identify 3 key relationships and intentionally invest in them.
- Reach out to a mentor or peer for a mid-sprint check-in.

Week 12 -- Legacy & Continuation:

- Write your 90-day review: What did you build? What did you learn?
- Design your next 90-day cycle using insights from this one.

ACTION STEP

Complete your 90-Day Review on Day 90. Immediately outline your next 90-day cycle.
